Dear Beloved Ones –

Our Beloved Community of Laurel Love wished for you to have these ashes in time for Ash Wednesday this week. The ashes are prepared from former Palm Sunday leaves. Our service is at 6 pm and you can watch it live or later, or you can attend in person.

When you apply your ashes, remember to say to yourself:

“You were formed from Love.
You were formed to be Love.
And to Love you will return.”

Included in this Do It Yourself (DIY) Lent Kit is a chart to help you map out your daily spiritual practice during Lent. Find some uplifting and life-renewing ways to lead from the heart of God. Modify this chart so it works for you and have fun playing with it. Ideally, you want one page per day. We have plenty of charts at the church and you can also download them from our website and or by email. If you would like more sent to you by mail, please let us know.

Sending lots of love to you all as we begin our journey together with our Suffering Servant.

In Christ’s Love, We Live,
:) Ann
