

<b>Morning . . .</b>	
How am I today?	
What is God asking me to see or pay attention to today?	
What is a gift that God has given me?	
Where is God asking me to share this gift with others?	
What do I long for today?	
<b>Evening:</b>	
Where did I experience God today?	
What was it like to pay attention to what God asked me to see?	
What was it like to see myself (even for a minute) as God does today?	
Where did I experience joy or meaning today?	
What scripture verse is resonating with me today?	
Where did I see beauty today?	
Where did I connect with others today?	
Where did I see as God sees today?	
<b>How was I able to practice being love in the world today?</b>
